Long-term support for Children of Heroes from Growe

We are grateful to our partners “Growe” for the monthly charitable contribution of USD 7,000 to support the work of the foundation.

This support opens up new opportunities for the implementation of our projects and provides effective assistance to children, giving them a bright future and the opportunity for a better life.

The logo for 'Growe' is displayed in a bright green, stylized, handwritten font. The letters are connected and fluid, with a large, sweeping flourish at the end of the word. It is set against a solid black background.

250,000 USD to prepare the Children of Heroes for the challenges of winter

Mark Lefever, the Chief Executive Officer of Lefever Holding, a private aviation company, recently visited Ukraine and directly interacted with our young beneficiaries in Kyiv and Kharkiv.

Reflecting on his experience, he remarked, "**I didn't anticipate contributing to children across Ukraine, but it was truly moving to visit families in need. These children are remarkable, and the people are exceptionally welcoming.**"

Inspiring story of the month

"I got my love of reading and writing from my father. He cared for my development and wanted me to become educated and intelligent."

Halyna is 16 years old. She inherited her love of reading and writing from her father, who died heroically in the war. Since childhood, the girl has been engaged in creativity: she writes poems, essays, and stories. "My dad was injured by shrapnel from an artillery shelling and died. It happened on August 30 during the Russian offensive on Kherson. Before, he often did not get in touch. We took it for granted. But this time, we lost contact with him forever," she says. **During their last conversation, Halyna promised her father to develop and do everything to achieve her goal.**

The girl became a beneficiary of the Children of Heroes Charity Fund. Halyna says that the support from the organization is precious to her, as they constantly ask her about her needs and are interested in her experiences.

Now, she is in the 11th grade and is preparing for exams. In addition to writing, she enjoys playing guitar, volleyball, and soccer. In the future, she dreams of becoming a journalist. To continue writing, creating, and doing what she loves most. Most importantly, she wanted to tell people the truth and fulfill her promise to her father.

Feedback from our families

Feedback from our families

A person is seen from behind, holding a young child up in the air with both hands. The child's arms are also raised, and they are holding the person's hands. They are standing in a field at sunset, with the sun low on the horizon, creating a warm, golden glow. The person is wearing a blue long-sleeved shirt, and the child is wearing a colorful patterned dress with a red bow at the back. The background shows a flat landscape under a hazy sky.

**Our overall goal is to
support each child who has lost one or
both parents due to the war in Ukraine**
