## **100 622 UAH from Plarium**

Employees of Geniusee and the cooperating company raised 260,000 UAH, which was used to purchase 42 tablets for the children of the Heroes. This is an extremely important support, as such gadgets enable children to learn even when they are away from their school desks.

Plarium allocated 100 622 UAH to purchase tablets for children. These funds allowed us to provide our wards with the necessary gadgets to continue their distance learning.

# Inspiring story of the month

## Olexandra, 14 years old

Oleksandra has experienced a loss that has left a deep imprint on her life. A year ago, her father was killed in the Bakhmut sector, suffering life-threatening explosive injuries. The Children of Heroes Fund provided the family with the necessary support. The family received individual psychological counseling, hygiene and food kits, dishes, a blanket, clothes and a first aid kit.

Oleksandra's mother has recently shared with us her news about her daughter's achievements: " My sincere gratitude to the entire team of the Children of Heroes Fund. You are doing incredible things for our children. This is a huge support in such a difficult period of our family's life. I want to share my joy and pride with you. **Alexandra's team became the Ukrainian rugby champion this year.** This is also your accomplishment, because you appeared in our family at the most difficult time. Life goes on and everything will be alright."

We are proud of such a strong family and congratulate Oleksandra on her victory!
