Socialization program - Camps

The "Children of Heroes" Fund actively implements a socialization program, among which camps occupy a special place.

These trips are not just a vacation, but also a chance for children to find relaxation and relief from stress and pain. Camps create a unique environment where everyone shares each other's experiences, helping children feel supported.

15 000 USD from Nova Ukraine

Thanks to a \$15,000 grant from Nova Ukraine, we successfully held a Smart Money Camp for 35 children. For 10 days in September, the children participated in personal finance trainings, learned about world currencies and the basics of investing. In addition to training, the participants participated in master classes, sports activities, and gatherings around the campfire with a guitar. It was an incredible experience that combined learning and outdoor activities, helping children develop new skills and confidence.

2 800 000 UAH from Puma Ukraine and Shakhtar

The Forever Faster Kids sports camp became an important event for 130 children thanks to the support of Puma Ukraine and the Charity Organization "Shakhtar Social". The total amount of support amounted to UAH 2,766,500 of which UAH 500,000 was provided by Shakhtar Social while the rest of the funding came from Puma Ukraine. The camp program was aimed at developing sports skills, teamwork and a healthy lifestyle, and created great opportunities for children to make new friends and be inspired to achieve new goals.

32 574 EUR from Ein Herz Fur Kinder

Ein Herz Fur Kinder provided 32,574 euros to organize Wonder Camp in September, a camp for 50 children that became a space for psychological support and recovery. For 12 days, the children received qualified therapy, participated in group and individual sessions, and experienced the joy of childhood.

We are extremely grateful to Ein Herz Fur Kinder for their support, which allowed the children to feel real help and support that really changes their lives for the better.

"I'm in shock. This camp achieved the impossible. Yulia has started to see herself as a person, even joining video calls, which she used to refuse because she said she didn't want to look at herself. Now, she takes photos without hesitation. This incredible progress was made in such a short time, while previous therapy sessions over the past 1.5 years showed no results." *

п. Мирослава, я в шоці. Цей табір зробив неможливе. Юля почала сприймати себе як особистість, почала на відеозв'язок виходити, бо раніше казала, що не хоче себе бачити, зараз фотографується без проблем, це просто колосальний мах роботи, що було досягнуто цілі за такий короткий термін... інші зустрічі з психологами не давали результату 1,5 роки.

Inspiring story of the month

Yana, 4 years old

Yana is from Ivano-Frankivsk. Her father was a soldier and was killed on April 9, 2022, during a mortar attack while serving in the Armed Forces of Ukraine. Yana was not yet two years old.

In difficult times, Yana's mother, Svetlana, repeatedly sought psychological support from the specialists provided by the Foundation. This help has become an important part of their family's recovery. Today, Yana and Svetlana lead an active life. Yana is studying at a modeling school and attends dance classes. The Foundation provided the family with comprehensive assistance, in particular through the projects “Warmth for Children” (blanket) and “Light for Children” (power bank), as well as humanitarian aid: clothes, food and hygiene kits. In addition, the family received gifts for the holidays and is now waiting for medical support.

We are deeply inspired by the strength and resilience of Yana and her mother Svetlana. The photo shows Yana participating in the “Running for a Hero” race in Ivano-Frankivsk, where they ran 2 km in memory of their father.
